

The Chardon Schools Foundation is once again planning for our live Television/Internet Auction on Saturday, March 10, 2012 airing on Geauga-TV from 6:00 – 10:00pm.

The Auction is a successful community event involving students, parents, concerned community members and businesses. Our mission is to support enriching and stimulating educational experiences for the students of the Chardon Schools. The Chardon Schools Foundation has funded over \$15,000 in grants to teachers each year for the past several years, helping to make possible many new and innovative learning programs.

We are seeking items to include in this Televised/Internet Auction and hope that you will consider donating an item or service to this worthy cause. We are a 501(c)(3) organization, so your donation is also tax deductible. To maximize the value of your donation, we can do the following: utilize your business logo in pre-Auction promotions, Internet bidding weeks ahead of, and during, the live TV auction, on-air promotional material on G-TV, flyers, brochures, and signs. Your donation will be available for pre-auction bidding on the Internet. We are in the process of setting up the online portion of our auction and will post it when it is ready on [www.chardonschoolsfoundation.org](http://www.chardonschoolsfoundation.org). *In order for your donation to receive the maximum internet auction exposure we can provide, we need the item or at least information about your donation by Friday, February 17<sup>th</sup>.*

G-TV reaches over 12,000 homes in the Burton, Chardon, Claridon, Hambden, Middlefield and Munson areas, so the publicity surrounding this Auction will be positive exposure for your business. Last year's Internet bidding was fast and furious bringing a new dimension for donors and bidders alike. Please consider helping the students of the Chardon Schools.

Gift certificates can be mailed to PO Box 838, Chardon, Ohio 44024. Delivery arrangements can be made by contacting Michele Peace at 440-479-5547 or [michele@chardonschoolsfoundation.org](mailto:michele@chardonschoolsfoundation.org). It will be a great evening at the auction and we hope your organization will be a part of it!

Sincerely,

**Chardon Schools Foundation**  
**G-TV Auction March 10, 2012**
